REAR SWING ARM

The diagram shows an exploded view of a rear swing arm assembly. The main component is the swing arm (1), which is a long, curved metal piece. It is shown with various mounting points and holes. The assembly includes several bolts (4), nuts (5), washers (3), and a pin (6). A small bracket (7) and a pin (8) are also shown. The swing arm is shown in two positions: one fully extended and one partially retracted, illustrating its range of motion. The background is white, and the components are labeled with numbers 1 through 8.
