Yukon (YXL-150) & Yukon II (CXL-150) Carburetor Update

ETON carburetor for the Yukon & Yukon II has been upgraded.
As a result we have made two rebuild kits available to you to cover both carburetor models.

For Yukon (YXL-150) with VIN numbers ending with numbers greater than **1A004519**
and Yukon II (CXL-150) with VIN numbers ending in numbers greater than **3A001769** use Carburetor
rebuild Kit Number **810420**.

All others use Carburetor rebuild Kit Number **811202**.

If your slide
looks like this
use kit #
810420
