Economy Size Luggage Box Installation

Luggage Box Installation

(This box fits all models except the Alta 49 & Sport 150 models)

Remove mounting hardware from inside luggage box.

Note: The Keys for the lock are taped to the poly bag that the box is wrapped in. **DO NOT** discard any packing material until you have completed the installation.

Beamer Luggage Box Contents

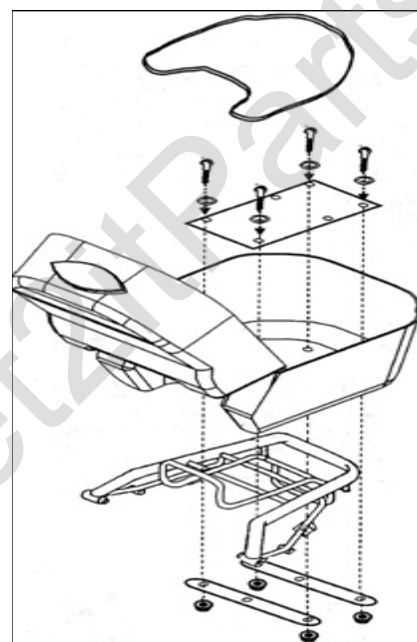

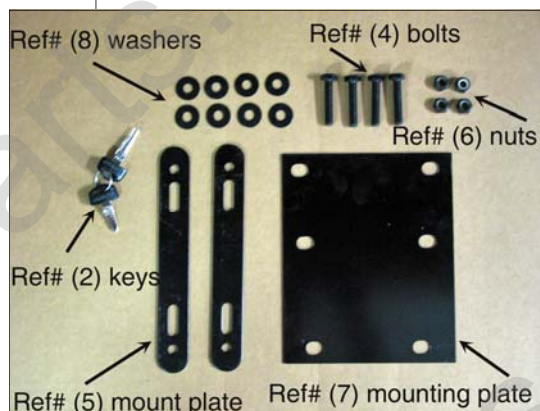

Ref #	Description	Qty
(1)	Luggage Box	1
(2)	Keys	2
(3)	Box pad	1
(4)	Mounting Bolts	4
(5)	Mounting Tabs	2
(6)	Nuts	4
(7)	Mounting plate	1
(8)	Washers	8

With the lid open, set the rear luggage box **(1)** onto the carrier rack at the back of the bike.

Place the mounting plate **(2)** on the bottom inside of the box. Install the four bolts **(4)** and four washers **(3)** through the mounting plate and luggage box as shown in the diagram.

Install the mounting tabs **(5)** underneath the carrier rack on the back of the bike. Install the remaining washers and the nuts **(6)** on the ends of the bolts.

Center the luggage box on the carrier before tightening the nuts on the ends of the bolts to hold the box in place.
